

COMMUNITY SOLAR AFFIDAVIT

Affidavit of Construction and Operation in Compliance with Community Solar Application to the NJ Board of Public Utilities (NJBPU)

TI Project Number: _____

_____ (name), of full age first being duly sworn, deposes and says as follows:

1. I am the _____ [company title] for _____ [company name] and I am authorized to execute the Affidavit and provide the information required by the NJBPU regarding the construction and operation of our community solar facility located at _____ [address].
2. This Affidavit is being provided in connection with the NJBPU's directive in its Board Order dated December 20, 2019, awarding Program Year 1 or the Board Order dated October 28, 2021, awarding Program Year 2, which granted conditional approval to this community solar project.
3. The application to the Transition Incentive Program was submitted on _____ [date].
4. The NJBPU conditionally approved this solar facility at a maximum capacity of ____ MW.
5. This solar facility has been constructed and is operating in compliance with the regulations and procedures of the Transition Incentive Program.
6. This solar facility began construction within the timelines established in the Community Solar Pilot Program Year 1 Board Order dated December 20, 2019, or the October 28, 2021, Year 2 Board Order.
7. This solar facility was built and will be operated as it was proposed in the original Application to the Community Solar Pilot Program and developed and constructed in compliance with the NJBPU's rules.
